delivering the safest, most effective and compassionate care to all its
patients.
                HMC manages 12 hospitalswhich are nine specialist
hospitals and three community hospitals as well as the National Ambulance
Service and home and residential care services.
                In January 2016, HMC achieved the significant distinction
of becoming the first healthcare system across the globe to have all its
hospitals accredited by Joint Commission International under the Academic
Medical Center accreditation program. Additionally, the National Ambulance
Service, Home Healthcare Service, Stroke Service and Palliative Care, have all
received this prestigious accreditation since 2011.
